

On the first payday in October, UMC will implement the ADP electronic pay program; making every payday faster, easier, and more secure. Do you have questions about the program? Here's your chance to get answers!

UMC has invited a representative from ADP to give a short presentation and answer questions about the new electronic pay program. **BONUS!** There will be a couple gift cards up for grabs for participating, so don't miss out!

Please select the time that works best for you and RSVP to Marj Schmidt, mschmidt@umci.com or (206) 368-6227.
