

CIC PRESENTS OUR FIRST EVER  
TOOLS FOR SUCCESS:

# Back-to-School Supply Drive

Did you know, nationally, one in five school-age children live below the poverty line? And in Washington, two in five kids live in families that struggle to make ends meet? That means many kids come to school unprepared and unequipped to learn.

Let's ensure every student gets a fair chance to succeed at school, despite their economic circumstances, by providing basic tools for success: school supplies!

Throughout the month of August, donate any of the below items in our Tools for Success: Back-to-School Supply Drive campaign.

Suggested items, include:

- |                                  |                                      |                   |
|----------------------------------|--------------------------------------|-------------------|
| ▪ No. 2 pencils                  | ▪ Rulers (metric and standard units) | ▪ Bottles of glue |
